2024

- Tech Stack: React.js, Tailwind CSS, JavaScript
- Developed an accessible learning platform for deaf and mute students
- Implemented a user-friendly UI for interactive learning experiences

GrowTogether – Gemini API

2023

- Tech Stack: React.js, Tailwind CSS, JavaScript
- Provides farming tips and best agricultural practices
- Uses Gemini API to provide smart farming tips and best practices

Netflix Clone – Streaming Platform UI

2022

- Tech Stack: HTML, CSS, JavaScript
- Replicated Netflix's frontend interface
- Focused on responsive design and smooth UI interactions

ACHIEVEMENTS/CERTIFICATION

- Secured first rank in a coding competition organized by LDCE, Adani, and ACM.
- Selected for top 50 in university level Hackathon(SIH) 2024
- Certified for Career Essential Course Completion issued by Microsoft.
- Selected for the top 30 in a university-level Hackathon (SIH) 2023.

EDUCATION

L.D. college of Engineering

2022 - 2026

- Pursuing bachelor degree in Information technology
- Secured 3rd Rank in Department.
- CPI : 9.37

The School of Science

2022

- 12 science in PCM
- Percentage : 81%

SKILLS

Languages

- C, Java, JavaScript, TypeScript

Web & App Development

- HTML, CSS, Tailwind CSS, Bootstrap, React.js, React Native (Expo), Node.js, Express.js, MongoDB

Version Control & Tools

- Git, GitHub

Problem Solving

- Solved 200+ problems on LeetCode, 150+ problems on Codeforces
